Congratulations!
G.

Dear Dr. Solomon,

I want to thank you for your support of Operation 300. I personally know how busy a doctor can be as my late husband was an OB/GYN and I ran his office for many, many years. You should be recognized for taking the time to help these children who have lost their fathers as a result of military service. It is only with the support of selfless people like you that Operation 300 can do such outstanding work. Thank you.

Sincerely,

Gayle Harrell
